Prime Minister Narendra Modi asked youths to join the 'Swachh Bharat Summer Internship 2018' launched by his government. In his monthly 'Mann ki Baat' broadcast, the PM said three ministries of his government have launched an internship programme and it is an opportunity for those who want to work for the society and bring about a change. He also announced incentives, including credit point by the UGC, for participants.

New Delhi: Prime Minister Narendra Modi has a brand new scheme for students during their summer vacation. The prime minister on Sunday asked youths to join the 'Swachh Bharat Summer Internship 2018' launched by the government. He also announced incentives, including credit point by the UGC, for participants. In his monthly 'Mann ki Baat' broadcast, the PM said three ministries of his government have launched an internship programme and it is an opportunity for those who want to work for the society, contribute positively and bring about a change.

"The best of the interns who have strived in schools and colleges with excellent work will be rewarded with recognition at the national level. Not just that, those interns who accomplish their tasks well will be awarded two credit points each by the UGC," Modi said. Those who participate in it will feel "a sense of fulfillment" when the country celebrates the birth anniversary of Mahatma Gandhi, he said. The programme will help in providing boost to the government's cleanliness campaign.

Meanwhile, the government on Sunday said it has fulfilled its promise of taking electricity to every village of India. In a series of tweets, PM Modi made the announcement, naming Leisang -- a village in central Manipur's Senapati district -- as the last one to receive electricity on Saturday. A tweet by the PM read: "28th April 2018 will be remembered as a historic day in the development journey of India. Yesterday, we fulfilled a commitment due to which the lives of several Indians will be transformed forever! I am delighted that every single village of India now has access to electricity."

A village is considered electrified if it has basic electrical infrastructure and 10 per cent of its households and public places -- including schools, panchayat office and health centre -- have access to electricity.

Answer the following questions:

- Q1. Which internship programme for students is to be launched during their summer vacation?**
- Q2. Which village has announced as the last one to receive electricity?**
- Q3. How the best interns will be rewarded?**
- Q4. List any three topics of 'Mann Ki Baat' broadcast on every Sunday, during summer vacation.**
- Q5. Who is the host of radio programme 'Mann Ki Baat' telecast on All India Radio?**
